Webinar: DOE SBIR/STTR Phase 0 Assistance Program

On Aug. 15, the U.S. Department of Energy will release the FY 2017 funding opportunity announcement for Small Business Innovation Research Small Business Technology Transfer programs. In advance of this release, DOE is offering a Phase 0 Assistance program to support efforts to increase SBIR/STTR Phase I grant applications from small business concerns owned by women and/or minorities, and small businesses located in underrepresented states. Iowa is among the states classified as under-represented states. A free introductory webinar will be held May 23 at 1 p.m. There is no charge for services offered under the Phase 0 program. More
