CALS Funding Opportunities Feb. 8, 2016

Webinar: National Academies Discussion of FY 2017 R&D Budget Request, Feb. 29
The National Academies of Sciences, Engineering and Medicine will hold a webinar to discuss President Obama’s FY 2017 R&D budget request and relevant science and technology legislative priorities. Panelists for the webinar are Matt Hourihan, director of the AAAS R&D Budget and Policy Program, and Jim Jensen, executive director of the Office of Congressional and Government Affairs at the Academies. This Government-University-Industry-Research Roundtable webinar is scheduled for Feb. 29 at noon central time. Registration is required. More

Workshop: NSF Broader Impacts, Apr. 12
The Office of the VPR is offering a Broader Impacts workshop that will provide an overview of how to successfully incorporate broader impacts into research proposals, resources that can be found on campus and an NSF perspective on the importance of Broader Impacts. The workshop is scheduled for Apr. 12, 1 to 4 p.m. in the Schmaan Building. More
