Megatrends Food, Energy and Water Nexus Webinar
The National Council for Science and the Environment, the Willdan Group, and the School of Sustainability at Arizona State University will host a series of webinars leading up to the 16th National Conference and Global Forum on The Food-Energy-Water Nexus, January 2016. The first webinar is scheduled for July 30 at 12:15 to 1:45 p.m. The webinar will focus on the megatrends shaping the world’s food, energy and water systems and their many interactions. More
