NIH NIAID June 2017 Concepts: Potential Opportunities

The NIH National Institute of Allergy and Infectious Diseases has released its June 2017 Concepts. These concepts represent early planning stages for initiatives, including program announcements, requests for applications and solicitations. While not all concepts become initiatives, they highlight NIAID's research interests and are good topics for investigator-initiated applications. [More](#)

Funding Information, Opportunities and Deadline Reminders

Dates listed are application deadlines. Contact: Roxanne Clemens, rclemens@iastate.edu
